

CONFERENCES

On-Line Conferences/WebBoards

Receive advice from, and converse with, accomplished professional leaders on useful, informative topics. Dates and topics vary:

- ◆ Strategies for Getting the Job You Want
- ◆ Everything You Wanted to Know About Finance Certifications
- ◆ How to Prepare for Your Career
- ◆ FMA Chapter — Fall Kick-Off

Finance Leaders' Conference

The only international conference, held each spring, specifically to address the needs and concerns of finance students. Conference attendees typically:

- ◆ Learn about various financial careers and what it takes to succeed
- ◆ Sharpen their team, leadership, and communication skills
- ◆ Expand their circle of professional contacts and friends
- ◆ Learn from experts on how to start their career & achieve their goals

Attendees have the opportunity to meet:

- ◆ Representatives from FMA student chapters around the world
- ◆ Finance professionals representing “powerhouse” companies and numerous financial career specialties

FMA Annual Meeting

Distinguished receptions, dynamic keynote address, first-class luncheon, and unmatched networking, along with much more, make this conference the undisputed leader.

- ◆ Attracts over 2000 attendees from around the world, making it the largest finance-related symposium of its kind
- ◆ Contains information about recent advances in finance with sessions on virtually every topic

Future Meeting Dates & Sites

2002	San Antonio, TX	October 16-19
2003	Denver, CO	October 8-11
2004	New Orleans, LA	October 6-9
2005	Chicago, IL	October 12-15

FMA PUBLICATIONS

Careers in Finance...

contains position descriptions compiled from a survey of junior, middle, and senior level financial managers, articles on alternative career paths, information regarding professional certifications in finance and related disciplines, information on continuing education, and professional advice.

Financial Management Forum...

written exclusively for finance students, the *FM Forum* spotlights career opportunities in a variety of finance specialties, strategies for a successful job search, career ideas and avenues of opportunity, and details regarding FMA's student events (published semi-annually during the fall and spring semesters).

How to Get a Job...

on-line guide contains worksheets and tips on: identifying your job skills, career desires, and companies that fit your criteria; compiling a great resume; obtaining and completing a successful interview; selecting the right offer; and succeeding on the job .

Financial Management (FM)...

focuses on topics relevant to the financial management of business and other organizations . *FM* offers articles that analyze and critique the most important issues facing financial managers today (published quarterly).

Journal of Applied Finance (JAF)...

offers a blend of practical and educational articles along with invited commentary. Each issue promotes better understanding of current issues in finance and applications of financial theory (published semi-annually).
